**MUNICIPALITY OF DUTTON DUNWICH
ZONING BY-LAW NO. 2022-50**

A By-law to regulate the use of land, and the character, location, and use of buildings and structures in the Municipality of Dutton Dunwich.

WHEREAS the Council of the Corporation of the Municipality of Dutton Dunwich deems it necessary to enact a Zoning By-law;

NOW THEREFORE the Council of the Corporation of the Municipality of Dutton Dunwich, pursuant to Section 34 of the *Planning Act*, as amended, and all other powers thereunto enabling, enacts as follows:

SECTION 1 INTERPRETATION AND ADMINISTRATION

- 1.1 TITLE**
This By-law shall be known as the “Zoning By-law” of the Corporation of the Municipality of Dutton Dunwich
- 1.2 APPLICATION**
The provisions of this By-law shall apply to all lands within the boundaries of the Corporation of the Municipality as now or hereafter legally constituted.
- 1.3 SCOPE**
No land shall be used, and no building or structure shall be erected, altered, or used within the Municipality except in accordance with the regulations of this By-law and except as permitted by this By-law.
- 1.4 MINIMUM REQUIREMENTS**
In interpreting and applying the provisions of this By-law, they are held to be the minimum requirements for the promotion of the health, safety, comfort, convenience, and general welfare of the inhabitants of the Municipality.
- 1.5 NUMBER AND GENDER**
In this By-law, unless the contrary intention appears otherwise, words implying the singular number or the masculine gender only shall include more persons, parties, or things of the same kind than one, and females as well as males, and the converse.
- 1.6 ADMINISTRATION**
This By-law shall be administered by the Chief Building Official of the Municipality or any other person acting under the direction of the Council of the Municipality.
- 1.7 BUILDINGS TO BE MOVED**
No building shall be moved within the limits of the Municipality or shall be moved into the Municipality without a permit from the Chief Building Official.
- 1.8 LICENSES AND PERMITS**
No municipal permit, certificate, or license shall be issued where the said permit is required for a proposed use of land or a proposed erection, alteration, enlargement or use of any building or structure that is in violation of any provisions of this By-law.
- 1.9 VIOLATIONS AND PENALTIES**
Every person who contravenes this By-law is guilty of an offence and on conviction is liable

on a first conviction to a fine of not more than \$25,000.00; and on a subsequent conviction to a fine not more than \$10,000.00 for each day or part thereof upon which the contravention has continued after the day on which the person was first convicted. Where, however, a corporation is convicted, the maximum penalty that may be imposed is, on a first conviction, a fine of not more than \$50,000.00; and on a subsequent conviction a fine of not more than \$25,000.00 for each day thereof upon which the contravention has continued after the day on which the corporation was first convicted, as prescribed by the *Planning Act*, as amended.

1.10 REMEDIES

Where any building is, or is proposed to be erected, altered, reconstructed, extended or enlarged, or any building or part thereof is or is proposed to be used, or any land is or is proposed to be used, in contravention of the provisions of this By-law, the same may be restrained by action of any ratepayer, or the Council of the Municipality pursuant to the provisions of the *Planning Act*, as amended from time to time.

1.11 REPEAL OF EXISTING BY-LAWS

From the coming into force of this By-law, all previous By-laws passed under Section 34 of the *Planning Act*, or a predecessor thereof, shall be deemed to have been repealed except to the extent that any of the said By-laws prohibits the use of any land, building or structure for a purpose that is also prohibited by this By-law.

1.12 APPLICATION OF OTHER BY-LAWS

Nothing in this By-law shall serve to relieve any person from the obligation to comply with the requirements of this By-law or any other By-law of the Municipality in force from time to time or the obligation to obtain any license, permit, authority or approval required under any By-law of the Municipality.

1.13 VALIDITY

Should any Section, clause or provision of this By-law be held by a court of competent jurisdiction to be invalid, the validity of the remainder of the By-law shall not be affected.

1.14 EFFECTIVE DATE

This By-law shall come into force:

Where no notice of objection has been filed with the Municipal Clerk within the time prescribed by the *Planning Act* and regulations pursuant thereto, upon the expiration of the prescribed time; or

Where notice of objection has been filed with the Municipal Clerk within the time prescribed by the *Planning Act* and regulations pursuant thereto, upon the approval of the Ontario Land Tribunal (OLT).

SECTION 2 DEFINITIONS

The following definitions shall govern the use and interpretation of this By-law. Where a term is not defined herein the common English meaning shall apply in context of the zoning regulation. Some definitions are provided and not used in the by-law to allow future amendment and to prevent inappropriate use of the definition elsewhere in the By-law.

- 2.1** **ABATTOIR**, shall mean a building or structure, or portion thereof, where animals are slaughtered for the purposes of processing meat into food for human consumption; and where meat products are produced, processed, handled, sold or stored.
- 2.2** **ACCESSORY**, shall mean a use, a building, or structure that is normally incidental, subordinate, and exclusively devoted to a main use, building or structure and that is located on the same lot therewith.
- 2.3** **ADDITIONAL RESIDENTIAL UNITS**, shall mean a self-contained dwelling unit with a private kitchen, bathroom facility and sleeping areas.
- 2.4** **ADULT ENTERTAINMENT PARLOUR**, shall mean any premises or part thereof, used in pursuance of any trade, calling, business or occupation, for the purpose of a live performance, exhibition or activity designed to appeal to erotic or sexual appetites or inclinations, of which a principal feature or characteristic is the nudity or partial nudity of any person, and in respect of which the word “nude”, “naked”, “topless”, “bottomless”, or “sexy”, or any other word, picture, symbol or representation having like meaning or implication may be used on any sign, advertisement, or advertisement device, and without limiting the generality of the foregoing, includes any performance, exhibition, or activity involving striptease dancers, exotic dancers, wet clothing contests, or best body part contests.
- 2.5** **AGRICULTURAL INDUSTRIAL ESTABLISHMENT**, shall mean the use of land and/or buildings or structures for the manufacturing and wholesale and/or retail sales of goods that are necessary to support agricultural uses. These include such goods as farm machinery and equipment used for tillage of soil, the planting, spraying, harvesting, transporting, treatment, processing and storage of grain, forage, feed, or forest products, products used for the housing and husbandry of livestock, poultry and fur-bearing animals, and the storage, handling and processing of milk, eggs, and manure and the manufacture of sub-surface drainage materials and equipment.
- 2.6** **AGRICULTURAL PROCESSING ESTABLISHMENT**, shall mean the use of land and/or buildings or structures for the processing of products derived from agricultural uses, as defined in this By-law. These shall include such products as seed, grain, feed and forage processing, storage and transport, fruit and vegetable storage and treatment, livestock and poultry assembly, sales and transport, a cheese factory, an egg grading station, a sawmill, an abattoir, a rendering plant and a dead stock removal facility.
- 2.7** **AGRICULTURAL SERVICE ESTABLISHMENT**, shall mean the use of land and/or buildings or structures for the purposes of buying or selling commodities and services that are necessary to support agricultural uses as defined in this By-law. These shall include such sales and services as welding and machinery repairs, farm drainage and excavation, agriculturally-related trucking, well-drilling, contracting and trades related to farm buildings and structures, and custom spray, tillage, planting and harvesting services.
- 2.8** **AGRICULTURAL SUPPLY ESTABLISHMENT**, shall mean the use of land and/or

buildings or structures for the purpose of supply of goods, materials or services that are necessary to support agricultural uses as defined by this By-law. These shall include such goods and services as sale, processing and storage of seed, feed, fertilizer and chemical products, farm machinery and equipment sales and service, and animal and poultry health and breeding services.

- 2.9** AGRICULTURAL USE, shall mean the cultivation of land, the production of crops and the processing and selling of such produce on a lot, and the breeding, raising, and care of livestock, or the produce of such livestock raised on a lot and, without limiting the generality of the foregoing, may include animal husbandry, and the raising and harvesting of field, bush, tree or wineries, truck gardening, aquaculture, apiaries, agro-forestry, maple syrup production, tree farm, sod farming and mushroom farming.
- 2.10** AGRICULTURAL-RELATED USES, shall mean farm-related commercial and farm-related industrial uses that are directly related to farm operations in the area, support agriculture, benefit from being in proximity to farm operations, and provide direct products and/or services to farm operations as a primary activity.
- 2.11** AGRI-TOURISM USES, shall mean those farm-related tourism uses that promote the enjoyment, education or activities related to the farm operation or in proximity to farm operations.
- 2.12** ALTER, shall mean, when used in reference to building or structure, or part thereof, to change, extend, enlarge, or renovate any one or more of the exterior or external dimensions or walls or roof thereof. When used in reference to a lot, the word “alter” shall mean to change the setback, or parking area, or to change the location of any boundary of such lot with respect to a road, whether such alterations are made by conveyance or in alienation of any portion of the said lot, or otherwise.
- 2.13** ANIMAL CLINIC, shall mean a building, or portion thereof, designed, used or intended for use by a veterinarian and his assistants for the purposes of providing for the care and treatment of pets raised or housed for the recreational or hobby purposes and, without limiting the generality of the foregoing, may include dogs, cats, birds and livestock.
- 2.14** ANIMAL AND POULTRY HEALTH AND BREEDING SERVICE, shall mean the premises of a veterinary surgeon where animals, birds or other livestock are treated or kept, or the facility used for the insemination of livestock or poultry.
- 2.15** ANIMAL KENNEL, shall mean a lot, building or structure, or portion thereof, on or within which four (4) or more dogs more than four (4) months of age are housed, groomed, bred, boarded, trained or sold and which may offer provisions for minor veterinary treatment.
- 2.16** ANTIQUE STORE, shall mean a building, or part thereof used for the refurbishing, restoration, refinishing and/or resale of items which due to their age have an increased quality, but which does not include the sale of used motor vehicles.
- 2.17** APARTMENT BUILDING, shall mean the whole of a structure that contains four (4) or more dwelling units which have a common entrance from street level and are served by a common corridor and the occupants of which units have the right to use in common the corridors, stairs, elevators, yards or one or more of them.
- 2.18** AREA OF NATURAL AND SCIENTIFIC INTEREST (ANSI), shall mean an area of land and/or water containing natural landscape or features that have been identified as having life science or earth science values related to protection, scientific study, or education.

- 2.19** ATTACHED, when used in reference to a building, shall mean a building otherwise complete in itself, which depends for structural support, or complete enclosure, upon a division wall or walls shared in common with an abutting building or structure.
- 2.20** ATTIC, shall mean the portion of a building situated wholly or part within the roof and which is not one-half storey.
- 2.21** AUCTION SALES FACILITIES, shall mean a building, structure, or portion thereof used for the retail sale of articles or goods to the members of the public bidding the highest offer for the article or goods during the sale proceedings.
- 2.22** BARRIER FREE, shall mean when applied to a building and its facilities, that the building and its facilities can be approached, entered and used by persons with physical or sensory disabilities and meets the requirements of the *Accessibility for Ontarians with Disabilities Act, 2005*, as amended.
- 2.23** BASEMENT, shall mean that portion of a building between two floors which has at least one-half of its height, measured from finished floor to finish ceiling above adjacent finished ground surface or grade level.
- 2.24** BED AND BREAKFAST ESTABLISHMENT or VACATION HOME, shall mean a single detached dwelling in which not more than six (6) rooms are made available by the person or persons permanently residing in the said dwelling for the temporary accommodation of the travelling or vacationing public and within which light meals may be offered.
- 2.25** BOARDING HOUSE or ROOMING HOUSE, shall mean any house or building or portion thereof in which the proprietor resides and supplies, for hire or gain to more than two persons, lodging and/or meals, but shall not include a hotel, motel, hospital, home for the young or the aged, or institution, or restaurant accommodating the general public.
- 2.26** BUFFER STRIP, shall mean an area used for no other purpose than the planting and maintaining of a continuous row of trees or a continuous unpierced hedgerow of evergreens or shrubs, and a remainder of which is used for landscaping and the planting of ornamental shrubs, flowering shrubs, flower beds, or a combination thereof.
- 2.27** BUILDING, shall mean a structure, whether temporary or permanent, designed, used or intended for shelter and any use or occupancy and consisting of wall, roof, and floor or any one or more of them, or structural system serving the functions thereof, including plumbing works, fixtures and service systems appurtenant thereto, but shall not include a boundary wall, fence, travel trailer, camping trailer, truck camper, motor home, or tent.
- 2.28** BUILDING AREA, shall mean an area designated on a zoning map or zoning map schedule as "Building Area" which defines the area of a lot within which permitted buildings or other structures may be erected, used, and maintained and shall be calculated by deducting all appropriate yard areas and setbacks from the gross lot area.
- 2.29** BUILDING INSPECTOR, shall mean the officer or employee of the Municipality for the time being charged with the duty of enforcing the provisions of this By-Law, the Ontario Building Code, or any other building code or building bylaw of the Municipality.
- 2.30** BUILDING LINE, shall mean a line within a lot drawn parallel to a lot line that establishes the minimum distance between a lot line and any building or structure that may be erected. Where the lot line is a curve, the building line shall be a line drawn parallel to the chord of the arc constituting the lot line.

- 2.31** BUILDING LINE, ESTABLISHED, shall mean a building line considered to be established between, or adjacent in the case of a corner lot, existing buildings where at least three (3) main buildings have been erected on any one side of a continuous one hundred and fifty (150) metre strip of land fronting on a road. The established building line shall thus mean the average setback of the existing main buildings.
- 2.32** BULK SALES ESTABLISHMENT, shall mean the use of land, buildings, or structures for the purpose of buying and selling building materials, ice, and allied chemicals but does not include any manufacturing, assembling, or processing uses.
- 2.33** BUS DEPOT, shall mean a facility for the boarding and de-boarding of passengers from inter-city bus travel and may include ancillary commercial facilities, public washrooms, ticket sales areas, and offices for building personnel.
- 2.34** CAMPGROUND, shall mean a use, consisting of at least five (5) camping sites, licensed under the provisions of the *Municipal Act*, as amended, from time to time, and comprising land used for seasonal recreational activity as grounds for the camping or parking of tents, motor homes, travel trailers, or truck campers, but not mobile homes.

3.2 USE OF ZONE SYMBOLS

The symbols listed in Section 3.1 shall be used to refer to land, buildings, and structures and the uses thereof permitted by this By-law in the said zones, and wherever in this By-law the word “zone” is used, preceded by any of the said symbols, such zones shall mean any area within the Municipality delineated on the Zoning Map and designated thereon by the said symbol.

3.3 HOLDING ZONES

Where a zone symbol listed in Section 3.1 is used in conjunction with the holding symbol “h” as shown on any zoning map, no new land uses shall be established, and no buildings or structures shall be erected or altered until the “h” symbol is removed in accordance with the requirements of the *Planning Act*.

Unless otherwise specified the holding “h” symbol may be removed where the owner demonstrates to the satisfaction of the Municipality of Dutton Dunwich that adequate water and sanitary services are available for the proposed use(s).

3.4 DEFINED AREAS

All zones may be subdivided into one (1) or more defined areas within which greater or lesser restrictions shall apply. These defined areas shall be designated reference to the symbol of the zone within which each such defined area is located together with a number so as to differentiate different defined areas within the zone.

3.5 EXCEPTIONS FOR DEFINED AREAS

Within any zone there may apply exceptions with respect to a defined area and, in addition to such exceptions, all provisions of this By-law including the general use regulations and the special use regulations applicable to the zone within which the defined area is located shall apply to the defined area, provided that, unless a contrary intention appears from the exceptions, the following shall apply:

If the exceptions establish regulations different from the general provisions of this By-law, including the general use regulations and special use regulations applicable to the zone within which defined area is located, the exceptions shall supersede and prevail over such corresponding regulations of this By-law;

If the exceptions establish one (1) or more specifically permitted uses of the defined area, such permitted use or uses shall be the only purpose or purposes for which land, building or structures within the defined area may be used; and

If the exceptions specifically permit one (1) or more uses in addition to those otherwise permitted in the zone within which the defined area is located, any and all of the other exceptions applicable to the defined area shall also apply to the additional permitted use or uses and not only to the uses not otherwise permitted in the zone.

3.6 MULTIPLE ZONES

Where a lot is subdivided into more than one (1) zone, the regulations applicable to these zones shall apply to the respective areas so zoned, and the zone lines shall be deemed to be lot lines for the purposes of this By-law.

3.7 TEMPORARY USE ZONES

Where the temporary use "T" symbol is shown on a map schedule, the temporary use described in Section 28 – Temporary Use (T) Zone is permitted, in addition to the uses permitted in the applicable zone, for a period not exceeding three (3) years, or other specified period, ending on the date listed in Section 28.2 – Defined Area and End Dates and shown on the applicable map schedule.

3.8 INTERPRETATION OF ZONE BOUNDARIES

Where uncertainty exists as to the location of the boundary of any of the said zones as shown on the zoning maps, the following shall apply:

- a) Unless otherwise shown, the boundary of the zones as shown on the zoning maps are center lines of the road allowance or lot lines and the projection thereof;
- b) Where a zone boundary is indicated as approximately following a lot line shown on a registered plan of subdivision, such lot lines shall be deemed to be the said zone boundary;
- c) Where a zone boundary is indicated as approximately parallel to the line of any road and the distance from such road is not indicated, such zone boundary shall be construed as being parallel to such road and the distance there from shall be determined by the use of the scale shown on the zoning maps;
- d) Unless otherwise indicated, a road, railway right-of-way, or water course included on the zoning maps is included within the zone of the adjoining lands on either side

thereof; and where such road, right-of-way, or water course serves as a boundary between two or more different zones, a line midway in such road, right-of-way, or water course and extending in the general direction of the long division thereof is considered the boundary between zones unless specifically indicated otherwise;

- e) In the event a road or railway right-of-way shown on the zoning maps is closed, the land formerly in said road or right-of-way shall be on either side of the said closed road or right-of-way, and the zone boundary shall be the former center line of the said closed road or right-of-way;
- f) Where any zone boundary is left uncertain after application of the preceding provisions, then the boundary line shall be determined according to the scale on the zoning maps in the office of the zoning administrator.
- g) Were any zone boundary overlays a provincial highway under the jurisdiction of the Province, the zone boundary shall be interpreted as abutting the designated ownership of the provincial highway/corridor, and not overlapping onto the designated highway property.

3.9 APPLICATION OF REGULATIONS

No person shall within any zone, use any land or erect, build, construct, reconstruct, relocate, excavate for, alter, add to, enlarge, extend or use any building or structure, except in conformity with this By-law for the zone in which such land, building, structure or use is located.

3.10 OVERLAY ZONES

- a) Lower Thames Valley Conservation Authority

Land regulated by the Lower Thames Valley Conservation Authority (LTVCA) pursuant to Ontario Regulation 152/06 are shown in a diagonal hatch pattern on Zoning By-law Schedules "A – F" for information purposes and labeled as "LTVCA regulated area". These lands are flood prone lands, valley land hazards, watercourse setbacks Lake Erie shoreline hazards, and adjacent lands associated with provincially significant wetlands. Prior to the issuance of a building permit within these lands, a permit must be issued by the Conservation Authority. Changes to these overlay boundaries may occur without amending the Zoning By-law Schedules.

- b) Provincially Significant Wetlands

Lands identified as Provincially Significant Wetlands by the Province pursuant to the Provincial Policy Statement 2020 are shown in a bold hatch pattern and labeled as "Provincially Significant Wetland" on Zoning By-law Schedules "A – F" for information purposes. Development and site alteration are not permitted within these areas.

Within 120 m of these areas, development and site alteration may be permitted where the proponent/owner demonstrates there will be no negative impacts on the wetland or its ecological functions by completing and receiving approval of a study by a qualified company. Prior to the issuance of a building permit within these lands, a permit must be issued by the Lower Thames Valley Conservation Authority (LTVCA). Changes to these overlay boundaries may occur without amending the Zoning By-law Schedules.

SECTION 4 GENERAL PROVISIONS

4.1 APPLICATION

The provisions of this Section apply in all zones except as may be indicated otherwise. Nothing in this By-law shall operate to relieve any person from the obligation to comply with the requirements of the Building By-law or any other By-law of the Municipality in force from time to time or the obligation to obtain any license, permit, authority or approval required under any by-law of the Municipality.

4.2 ACCESSORY USES, BUILDINGS AND STRUCTURES

Accessory uses, buildings or structures, are permitted in any yard, in any zone, subject to the provisions of this By-law for the particular zone in which said building or use is located, and provided that no accessory building or use:

 - i. That common semi-detached private garages or carports may be centered in the mutual lot line;
 - ii. That where a lot line abuts a public lane an accessory building may be located not less than one-half (0.5) metre from the said lane.
- f) Shall exceed ten (10) percent of the total lot coverage;
- g) Shall exceed six (6.0) metres in height or contain more than two storeys;
- h) Shall be built within two (2.0) metres of the main building;
- i) Shall be considered as an accessory building if attached to the main building in any way;
- j) Shall be considered an accessory building if located completely underground.

4.3 COMMERCIAL ACCESSORY USES

Notwithstanding any other provisions of this By-law, where a commercial use is permitted as an accessory use in an industrial zone, it shall not exceed ten (10) percent of the total floor area of the main building and shall not exceed a maximum floor area of 280.0 m².

4.4 RESIDENTIAL ACCESSORY USES

Notwithstanding any other provisions of this By-law, where one dwelling unit is permitted as an accessory use in a commercial, institutional, open space, or industrial zone, the minimum lot area shall be 950.0 m² in addition to the minimum lot area requirements of the zone in which it is erected, and, in the case of a single dwelling unit the maximum building height shall be 9.0 metres and shall not exceed ten (10) percent of the total lot coverage.

4.5 HOME OCCUPATIONS

Where a home occupation is permitted in a particular zone, the following provisions shall apply:

- a) No outside storage of materials, containers, or finished products is permitted;

- b) No change to the character of the dwelling as a private residence is permitted;
- c) No nuisance, particularly in regard to noise, odour, light, dust, traffic or parking will be created;
- d) No mechanical equipment is used, the operation of which would result in any undue noise, fumes, dust, or odour escaping to any adjoining premise;
- e) The accessory building or any area of main building used for home occupation does not exceed more than 25 percent of the total floor area of the dwelling unit not including basement or cellar and, for greater clarity, such uses include the office or consulting room for a business or a profession such as a physician, dentist, chiropractor, lawyer, engineer, accountant, teacher, musical instructor when a single pupil is instructed at a time, the office for a trade such as a painter or electrician and the workroom for a dressmaker or tailor, milliner, caterer, hairdresser, pet groomer, aesthetic services, or massage therapists but does not include or permit a clinic, tea room, convalescent home, mortuary, funeral parlour, dancing school, hairdressing if more than two persons are engaged in the business, or any similar use or other commercial use or institutional use or a workshop, storage yard, parking area or plan for any of the trades;
- f) No more than 5 persons permitted in dwelling at one time to receive treatment, services, or instructions;
- g) No more than 2 persons may be employees of home occupation which are not permanent residents of dwelling, and shall clearly serve a support role to the home occupation;
- h) No corpse, bacteria, or virus shall be brought into the dwelling in connection with a home occupation;
- i) No delivery of materials to or from the dwelling unit requiring a vehicle that has a gross registered weight exceeding 5,000 kilograms.

4.6 AGRICULTURAL HOME OCCUPATIONS

Where an agricultural home occupation is permitted in a particular zone, the following provisions shall apply:

- a) Storage of materials, containers or finished products in the front or side yards shall not be permitted;
- b) Any building or structure, excluding that for residential use, used for an agricultural home occupation shall not exceed 70 m² of ground floor area;
- c) Without limiting the generality of the foregoing, agricultural home occupations may include a carpentry shop, a welding shop, a machine shop, a small tool repair shop, a tile drainage contractor, seed sales, seed cleaning, a trucking operation to a maximum of two (2) trucks, and home craft operations such as pottery or a weaving operation.

4.7 PUBLIC USES

The provisions of this By-law shall not apply to the use of any land or to the erection or use of any building or structure for the purpose of public service by the Municipality or by any local board thereof as defined by the *Municipal Act*, as amended from time to time, any railway, telephone, telegraph, or gas company, any department of the Government of Ontario or Canada, Hydro One or any other public authority provided that:

- a) The lot coverage, setback and yard requirements prescribed for the zone in which such land, building or structure is located shall be complied with;
- b) No goods, material, or equipment shall be stored in the open in a residential zone or in a lot abutting a residential zone;
- c) Any building erected in a residential zone under the authority of this paragraph shall be designed and maintained in general harmony with residential buildings of the type permitted in the zone;
- d) Any parking and loading regulations for these uses are complied with.

4.8 CONSTRUCTION USES

The temporary use of buildings and structures incidental and necessary for construction or restoration work will be permitted in all zones and defined areas, but only for so long as the same are necessary for construction or restoration work.

Notwithstanding any other provision of this By-law, uses such as a construction camp or other such temporary work camp, a tool shed, mobile home, scaffold, sign or other building incidental to construction are permitted in any zone provided that:

- a) Any sign which is erected does not exceed 3.0 m² in area;
- b) Such uses or buildings are used only as long as same are necessary for work in progress which has neither been finished nor abandoned, or a period one (1) year whichever is the lesser;
- c) Such uses or buildings are removed when the work for which they were permitted is terminated.

Notwithstanding any other Section of this By-law to the contrary, a mobile home or secondary dwelling may be used as a temporary dwelling for a period not to exceed 90 days after occupancy has been issued in those instances where a dwelling is being constructed, reconstructed or restored on the same lot, provided:

- a) The mobile home or secondary dwelling is connected to the existing water and sanitary facilities to the satisfaction of the municipality;
- b) The mobile home complies with specifications CAN/CSA-Z240.2.1 or CAN/CSA-Z241 Series-M contained within the Ontario Building Code;
- c) An agreement is executed between the land owner and the municipality ensuring, among other things, that the mobile home or secondary dwelling is removed by a specified date.

4.9 PROHIBITED USES

4.9.1 The following uses shall be prohibited in any zone unless otherwise provided for:

- a) The use of any land or the erection and use of any building or structure for the purposes of storage of unlicensed vehicles, wrecking yards, salvage yards, dumps, the collection of rags, junk, any refuse, scrap iron, or other scrap metals;
- b) The location and use of a mobile home for the purposes of residential, commercial, industrial, or institutional uses on a temporary or permanent basis;
- c) Buildings or other structures to be erected or used for industrial uses and processes in which natural resources are used as a raw material (e.g. lumber, earth, clay, sand, gravel, stone, rock, oil, gas or any other similar material) shall be erected or used not closer than 300 metres from the boundary line of any residential zone;
- d) The use of motorized vehicles in Conservation Areas;
- e) The use of a truck, bus, coach, railway car, or streetcar bodies or part thereof for the purposes of any use permitted in this By-law;
- f) Licensed Cannabis Project Facilities;
- g) Large Scale Renewable and Alternative Energy System.

4.9.2 Obnoxious Uses:

Any use, which due to its nature or the materials used therein, is declared under the *Public Health Act*, or any regulations adopted thereunder, to be a noxious trade, business or manufacture is prohibited.

4.9.3 Dangerous Uses:

No land, building or structure shall be used in the municipality for the industrial manufacture of coal oil, rock oil, fuel oil, burning fluid gas, naphtha, benzene, gasoline, dynamite, dualene, nitroglycerine, gun powder, petroleum, and petroleum liquid material that is likely to create danger to health, or danger from fire or explosion. This regulation does prohibit petroleum resource operations permitted under the *Oil, Gas and Salt Resources Act*.

4.10 NON-CONFORMING USES

The provisions of this By-law shall not apply:

- a) To prevent the use of any land, building or structure for any purpose prohibited by this By-law if such land, building or structure was lawfully used for such purpose on the day of the passing of this By-law, so long as it continues to be used for that purpose; or
- b) To prevent the erection or use for a purpose prohibited by the By-law of any building or structure for which a permit has been issued under Section 8 of the *Building Code Act*, as amended, from time to time, prior to the day of the passing of this By-law, so long as the building or structure when erected is used and continues to be used for the purpose for which it was erected and providing the permit has not been revoked under Section 8 of the *Building Code Act*, as amended, from time to time, provided the erection of such building or structure is commence within two years after the day of the passing of the By-law and such building or structure is completed within a reasonable time after the erection thereof is commenced.

4.11 NON-COMPLIANCE WITH MINIMUM LOT OR YARD REQUIREMENTS

Where a building has been legally erected prior to the effective date on a lot having less than the minimum frontage and/or area, or having less than the minimum setback and/or side yard and/or rear yard required by this By-law, the said building may be rebuilt, enlarged, repaired or renovated provided that:

- a) The rebuilding, enlargement, repair or renovation does not further reduce a non-complying front yard and/or side yard and/or rear yard having less than the minimum required by this By-law, and
- b) Where it is feasible, a building shall be rebuilt with the required yard setbacks; and
- c) All other applicable provisions of this By-law are complied with.

4.12 EXISTING LOTS

Notwithstanding any other provisions of this By-law, legally existing lots with less than the required lot area or lot frontage may be developed for the use specified in the appropriate zone provided all other regulations of the By-law are satisfied, and in the case of lots where buildings or structures requiring water and sanitary sewage facilities are to be erected thereon:

- a) Such lot could have been legally conveyed on the date of passing of this By-law without consent under the Planning Act, as amended from time to time. Lots created by consent on or before the passing of this By-law and granted subject to the fulfillment of specific conditions shall also be considered as being legally conveyable for the purposes of this subsection;
- b) Such lots are serviced by approved municipal water and sanitary sewage services or meet the requirements for private services;
- c) Such lots have a minimum frontage of 20.0 metres on a public street where a public water supply is not available;
- d) Such lots front on a public road or a private road;
- e) Notwithstanding any other regulations of this By-law, where a use, building or structure was legally established on a lot, and such lot was subsequently altered as a result of a project of a public authority (such as a road construction project or an easement or

right-of-way) or by expropriation of municipal, provincial or federal acquisition thereby causing the use, building or structure to contravene any regulations of the By-law, the said use, building or structure shall be deemed to comply with the By-law and may be enlarged, extended, reconstructed, repaired or renovated provided that any regulations which are currently not met, are not further contravened and that all regulations which are complied with, are not contravened by any works undertaken.

4.13 HAZARD LANDS

4.13.1 Notwithstanding any other provisions of this By-law, no permanent buildings or structures (including any permitted encroachments) shall be erected or used, or as otherwise determined by the Conservation Authority:

- a) Closer than 3.0 metres from the centreline of any enclosed drain;
- b) Closer than 7.5 metres from the top-of-bank of the open portion of the Brown Drain in the former Village of Dutton;
- c) Closer than 15 metres from the top-of-bank of an open drain having a width of 7.5 metres or less, from top-of-bank to top-of-bank;
- d) Closer than 30 metres from the top-of-bank of an open drain having a width of greater than 7.5 metres from top-of-bank to top-of-bank;
- e) Closer than 15 metres from the top-of-bank of a natural watercourse;
- f) Closer than 30 metres from the top-of-bank of the Thames River;
- g) Closer than 150 metres from the top-of-bank of the Lake Erie shoreline.

4.13.2 Notwithstanding any other provisions of this By-law, no permanent buildings or structures shall be erected or used on lands which exhibit, or potentially exhibit, a hazardous condition as a result of their susceptibility to flooding, erosion, subsidence, inundation or the presence of organic soils or steep slopes.

4.14 MUNICIPAL WATER AND SANITARY SUPPLY

No new dwelling shall be erected or used, which is not connected to the municipal water supply system or municipal sanitary sewage and disposal system, where such system exists at the street line.

Additions, alterations, renovations or replacements of an existing dwelling does not apply, if a private potable water supply and private sanitary sewage and disposal system is available.

4.15 OCCUPANCY OF PARTIALLY COMPLETED BUILDINGS

No new building shall be occupied before the main side walls and roof have been erected and the external siding and roofing have been completed, and sanitary conveniences installed and, where applicable, kitchen and heating facilities have been installed and are in satisfactory working order.

4.16 TRUCK, BUS AND COACH BODIES OR TRAVEL TRAILERS, TRUCK CAMPERS, MOTOR HOMES OR TENTS USED FOR HUMAN OCCUPANCY

4.16.1 No truck, bus, coach or streetcar body shall be used for human occupancy within the Municipality whether or not the same is mounted on wheels.

4.16.2 No travel trailer, truck camper, motor home, or tent shall be used for the living, sleeping or eating accommodation of persons within the Municipality for a period of no more than sixty (60) days in any period of ten (10) consecutive months unless such travel trailer, truck camper, or motor home is located in a campground licensed by the Municipality under the

4.17 STREET FRONTAGE OF BUILDING LOTS

Except as hereinafter provided in this By-law, no person shall erect a building or structure and no person shall use any land, building, or structure, unless the lot or parcel to be so used or upon which the building is situated, erected or proposed to be erected abuts or fronts on a public street or public road. A building or structure may be erected upon a lot within a registered plan of subdivision provided that it is in accordance with the provisions of a Subdivision Agreement, in respect of such plan of subdivision notwithstanding that the streets within such plan of subdivision have not been assumed and are not yet being maintained by the municipality, the County, the Province or some other road authority. The same shall apply to development of lots created through the consent process where a development agreement has been executed.

Notwithstanding the previous paragraph, for the purposes of this subsection, private roads that existed on the date of adoption of this By-law shall be considered as streets despite the fact that such roads have not been assumed by the municipality. This subsection shall only have effect for the purpose of applying provisions of this By-law and not to the consideration and granting of consents. This subsection shall also not imply any obligation on the municipality to assume and/or develop any private road into a public street or to maintain it for private or public purposes.

4.18 FRONTAGE ON STREETS, HIGHWAYS OR ROADS OR PRIVATE ROADS AND EXEMPTIONS

4.18.1 Street, Highway or Road

Except for a condominium project where the condominium agreement provides for the ongoing maintenance of any highway, street or road providing direct access to a dwelling therein or land uses on one lot with multiple ownership and/or multiple use, no person shall erect any building or structure in any zone unless the lot upon which such building or structure is to be erected has sufficient frontage on a highway, street or road (developed in accordance with municipal standards) as per the requirements of the respective zone within which the lot is situated. For the purposes of this By-law a street, highway or road does not include an unopened road allowance. In the case of Hazards Lands, matters shall satisfy ingress and egress standards as referenced in the PPS under the *Planning Act*.

4.18.2 Exemptions

The requirements for frontage on a highway, street or road shall be exempted for the following circumstances: i) for a public utility; ii) for any passive outdoor recreational use or activity (e.g. recreational trails or similar activities); iii) for a landlocked parcel accessed by a registered easement or right-of-way existing on the effective date of this By-law; iv) for a lot of record where access is via an existing private road or registered easement or right-of-way.

4.18.3 Maintenance or Subdivision Agreement

Despite the subsection above, where a maintenance or subdivision agreement exists between the municipality and a land owner(s) and is registered on title, frontage on an unopened or unmaintained street, highway or road or right-of-way shall be deemed to conform to the provisions of this section, provided that such frontage is in conformity with the zone standards set out in the corresponding zone or an exception thereto.

4.19 SIGHT RESTRICTION ON CORNER LOT

4.19.1 Notwithstanding any other provisions of the By-law, and except in any hamlet or village

commercial zone, on a corner lot within the triangular space included between the street lines for a distance of 9.0 metres from their point of intersection, no building or structure shall be erected, no driveway shall be located, no sign, fence or boundary wall shall be placed, nor shall any shrubs or foliage be planted or maintained (more than 0.8 metres high) which obstruct the view of a driver or a vehicle approaching the intersection.

4.19.2 In all zones, on a lot abutting a railway where the railway and a street intersect at the same grade, no building or structure shall be erected in such a manner as to materially impede vision above a height of 0.6 metres above the centreline grade of the intersecting street in the triangular area bounded by the railway and the street line and a line from the points along such railway and such street line measuring 50 metres from the point of the intersection thereof.

4.19.3 Where such railway intersection is unprotected, the sighting triangle will be increased to 90 metres along the streetline, and a distance of 400 metres measured along the railway or a distance required by Transport Canada.

4.20 PRIVATE GARAGES AND DRIVEWAYS ON CORNER LOTS

4.20.1 Notwithstanding any other provisions of this By-law, no private garage on any corner lot shall be located closer than 3.5 metres to the street line intersection; and

4.20.2 Notwithstanding any other provisions of this By-law, no portion of any driveway shall be located closer than nine 9.0 metres to the intersection of the two street lines or their projections.

4.21 ESTABLISHED BUILDING LINE ON STREETS OR ROADS

Notwithstanding any other subsequent provisions of this By-law, where a single detached dwelling or accessory use thereto is to be erected within a built-up area where there is an established building line, such dwelling or accessory use may be erected closer to the street line or to the centre line of the street or road, as the case may be, than required by this By-law provided such dwelling or accessory use is not erected closer to the street line or to the centre line of the building line on the date of passing this By-law.

4.22 USE OF YARDS ON LANDS WITHOUT BUILDINGS

Where land is used for or in connection with residential, commercial, industrial, or institutional uses but without any buildings or structures thereon, all yards required by this By-law on a lot in respective use zone shall be provided and maintained as yards and the applicable regulations shall apply, except where the land or lot is used for gardening or open space purposes not provided by this By-law in such use zone.

4.23 YARD AND OPEN SPACE PROVISIONS FOR ALL ZONES

No part of a yard or other open space required about any building for the purpose of complying with the provisions of this By-law shall be included as part of a yard or other open space similarly required for another building.

4.24 PERMITTED ENCROACHMENTS IN YARDS

Unless otherwise specified in this By-law, every part of any yard required by this By-law shall be open and unobstructed by any structure from the ground to the sky, provided, however, that those structures listed below shall be permitted to project into the yards indicated for the distance specified:

Structure	Permitted Yard	Maximum Projection from main wall
Window sills, belt courses, cornices, eaves, gutters, or pilasters	Any yard	0.6 m
Fire escapes and exterior staircases	Rear yard only	1.5 m
Bay windows, chimneys and awnings	Front and rear yards only	1.0 m
Open, roofed porches not exceeding one storey in height, uncovered terraces	Front and rear yards only	2.5 m (including eaves, cornices, and canopies)
Decks	Rear and side yards only	Not closer than 1.0 m to any lot line
Heat pumps, air exchangers, air conditioners	Any yard	1.5 m

4.25 ENCLOSURES

Enclosures to any porch or terrace permitted in Section 4.24 of this By-law shall be limited to 1.0 metre in height exclusive of roof supports but this shall not prohibit the enclosure of a porch or terrace by latticing or screening or other form of enclosure which permits a minimum of 50% of air to pass through at all times.

4.26 BUFFER (PLANTING) STRIPS

- 4.26.1** A buffer strip shall be located within the zone for which it is required; it shall be planted, nurtured and maintained by the owner of the lot on which the buffer strip is located; and replacement of trees and plants be made by the owner, as necessary from time to time.
- 4.26.2** A buffer strip shall be used for no other purpose than planting a continuous row of trees or a continuous unpierced hedgerow of evergreens or shrubs, not less than 2.0 metres high, immediately adjacent to the lot line or portion thereof along which such buffer strip is required hereunder; the remainder of the strip shall be landscaped and planted with ornamental shrubs, flowering shrubs, flower beds or a combination thereof.
- 4.26.3** Where a buffer strip is required in any zone, it shall be of minimum width as specified in the regulations for that zone.
- 4.26.4** In all cases where access driveways extend through a buffer strip, it shall be permissible to interrupt the strip within 3 metres of the edge of such driveway.
- 4.26.5** A buffer strip may form part of any required landscaped open space, including the required front, side and rear yards.
- 4.26.6** Where a commercial or an industrial zone abuts a residential zone, an institutional zone, or an open space zone, or a Provincial Highway, a strip of land not less than 4.5 metres in width adjacent to land inside the commercial or industrial zone boundary shall not be used for any other purpose than a buffer strip.

4.26.7 Where an institutional zone abuts a residential zone, a strip of land not less than 3 metres in width adjacent to and inside the institutional zone boundary shall not be used for any other purpose than a buffer strip.

4.27 COMMERCIAL AND INDUSTRIAL ZONES ABUTTING OR ADJACENT TO RESIDENTIAL, INSTITUTIONAL, AND OPEN SPACE ZONES

Where any commercial zone or industrial zone fronts on a street or road opposite to, or directly abuts any residential zone, institutional zone, or open space zone, the following provisions shall be complied with:

- a) No parking of vehicles with capacity over nine hundred (900) kilos shall be permitted in any side yard adjacent to the neighbouring zone;
- b) No loading space shall be located in, nor open onto any side yard adjacent to the neighbouring zone;
- c) Exterior lighting and illuminated signs shall be so arranged as to deflect light away from adjacent neighbouring zone;
- d) Outside storage shall be prohibited in any front yard or side yard adjacent to the neighbouring zone;
- e) A buffer strip shall be provided in accordance with the provisions of Section 4.26.

4.28 PARKING REQUIREMENTS

For every type of building listed below erected, altered, or enlarged in any zone after the passing of this By-law, off street parking shall be provided and maintained in accordance with the following provisions:

Type of Use or Building	Minimum Parking Required
Single detached dwelling, semi-detached dwelling, duplex dwelling, two-unit converted dwelling, dwelling units located above commercial buildings	One (1) parking space per unit

This by-law shall not apply to the use of any land for the exploration and/or production of natural gas or crude oil, or to the erection, alteration, or use of any building or structure accessory thereto.

4.39 HEIGHT EXEMPTIONS

The height regulations of this By-law shall not apply to any farm building or structure, ornamental dome, skylight, chimney, tower, elevator enclosure, flag pole, antennae, radio or television receiving or transmitting equipment, cupola, steeple, church spire, clock towers, water tanks, ventilators or any accessory mechanical appurtenances. Such features, however, shall be erected only to such height as is necessary to accomplish the purpose they are to serve.

4.40 GRADING

a) Excavations

No person shall make any excavations or remove any topsoil, peat, earth, sand or gravel from any lot, alone or in conjunction with any construction work, unless the written permission of the Municipality or a building permit with respect to such construction work has first been obtained, and except in accordance with any requirements of the Corporation with respect to retention of topsoil and peat, grading and finished elevations.

b) Removal or Leveling of Hills

This By-law shall not apply to prevent the removal or leveling of hills for the purposes of increasing or improving land for agricultural uses so long as no excavation takes place below the average grade of the land surrounding the said hill.

4.41 SWIMMING POOLS

The following regulations shall apply with respect to the erection or use of a swimming pool that is not enclosed or otherwise located within a building:

- a) A swimming pool is permitted as an accessory use in any zone;
- b) A swimming pool shall not contribute to lot coverage as regulated in any zone of this by-law;
- c) A swimming pool shall not be located in any yard other than a side yard or a rear yard;
- d) No part of a swimming pool shall be located closer than one (1.0) metre to any lot line;
- e) No part of a swimming pool shall exceed a height of 2.0 metres, exclusive of related structures which shall not exceed a height of 4.0 metres;
- f) Every swimming pool shall be enclosed by a fence of at least 1.53 metres in height equipped with a self-closing gate capable of being locked;
- g) No water circulating or treatment equipment such as pumps or filters or any accessory building or structure containing such equipment, shall be located closer than 1.0 metre to any lot line, unless it is an existing building or structure.

4.42 LOSS BY NATURAL CAUSES

Notwithstanding any other provisions of this By-law (save and except for any section dealing with buildings and structures on Hazard Lands), where a legally constructed building or structure is destroyed or partially destroyed by fire or other natural causes, replacement of the said building or structure to the same basic dimensions and on the same basic site may be permitted.

4.43 LOTS REDUCED BY PUBLIC ACQUISITION

- ##### **4.43.1**
- Where the area of a lot is reduced by means of an acquisition of part of the lot by any authority having power of expropriation, and where such acquisition causes the lot as reduced, or any building or structure existing lawfully on the lot on the date of such acquisition, to have a lot area, lot frontage, lot coverage, parking, area of landscaped open

space, setback, front yard depth, side yard depth or rear yard depth that does not conform to the requirements hereof for the zone in which such lot is located, then nothing in this By-law shall apply to prevent the continued use of the lot as reduced as if no such acquisition had taken place, provided that:

- a) No further change is made in the dimensions, area or any other characteristics of the lot as reduced, subsequent to the date of such acquisition, that would increase the extent of the said non-conformity; and
- b) No building or structure or addition thereto is erected on the lot as reduced, subsequent to the date of such acquisition, except in accordance with all the provisions hereof for the zone in which such lot is located.

4.43.2 In the case of a road widening dedication, the land that has been or will be dedicated shall be included in any calculation for the purpose of determining lot area, lot coverage, height, parking, landscaped open space, floor area, floor area ratio, and the location of any permitted building or structure relative to the required side or rear yards, provided any building or structure is located wholly within the boundary of the land remaining after the dedication.

4.44 ADULT ENTERTAINMENT PARLOURS

4.44.1 Notwithstanding any other provision of this By-law, an Adult Entertainment Parlour shall be prohibited in any zone or on any site or location that is situated less than 500 metres from an existing residential or institutional use.

4.44.2 An Adult Entertainment Parlour shall also be prohibited in any zone or on any site or location that is situated less than 500 metres from any zone that permits residential or institutional uses.

4.45 ANCILLARY SALE OF AUTOMOBILES

Sales of automobiles ancillary to a motor vehicle service station, public garage, or motor vehicle body shop shall be limited to maximum of six (6) automobiles being stored, kept or displayed for sale on the site at any time.

4.46 FRONT LOT LINES AND HIGHWAY NO. 401

Where a lot is bounded on one or more sides by the road allowance of Provincial Highway No. 401, the lot lines or portions thereof which abut the said road allowance shall not be deemed to be a front lot line for the purposes of this By-law.

4.47 GROUP HOMES AND SHELTERS

Group homes in the form of single detached dwellings shall be permitted anywhere single detached dwellings are permitted excluding any hazard land areas (flooding and erosion).

Shelters shall be permitted anywhere single detached dwellings and institutional uses are permitted excluding any hazard land areas (flooding and erosion). (By-law 2022-73)

4.48 MINIMUM DISTANCE SEPARATION FORMULAE

4.48.1 For the purposes of this Zoning By-law, Minimum Distance Separation Formulae I and II (MDS I and II) shall be calculated in accordance with the Minimum Distance Separation (MDS) Formulae Guidelines prepared by the Province as amended from time to time. For the purpose of this Section:

- a) The Minimum Distance Separation Formula I shall be applied to any proposed development in any zone, excluding any hamlet or village zones.

- b) The Minimum Distance Separation Formula II shall be applied to any new or expanding livestock or poultry facility in any zone.

4.49 WAYSIDE PITS AND QUARRIES AND PORTABLE ASPHALT PLANTS

Wayside pits and quarries and portable asphalt plants shall be permitted in all zone categories without amendment to the Zoning By-law, except zones that are established to recognize existing development or areas of particular environmental sensitivity upon which wayside pits may be prohibited.

4.50 SETBACKS FROM PETROLEUM RESOURCE OPERATIONS

No person shall erect, locate or construct a building or structure within 75 metres of a petroleum resource operation unless the well or facility has been decommissioned in accordance with the *Oil, Gas and Salt Resources Act* or such building or structure is related to the petroleum operation and permitted in accordance with the Act.

4.51 MINISTRY OF TRANSPORTATION AUTHORITY

Any development proposed in proximity to a provincial highway and within the Ministry of Transportation permit control area, is subject to Ministry approval and shall obtain the necessary permits prior to construction being undertaken.

4.52 SHIPPING CONTAINER OR TRUCK TRAILER USED FOR STORAGE PURPOSES

Where a shipping container or truck trailer is used for the purpose of storage accessory to a principal use, the following provisions shall apply:

- a) A shipping container or truck trailer may not be located in any residential zone;
- b) A shipping container or truck trailer may not be located on any parcel of land in an agricultural zone that is less than 2 ha in area, unless there are no offsite dwellings within 100 metres of the parcel of land;
- c) A shipping container or truck trailer may only be located in the rear yard and must comply with the regulations of Section 4.2 Accessory Uses;
- d) A shipping container or truck trailer may not be permitted as the sole structure on any property, not be used for human habitation, not be stacked one on top of the other and shall comply with the Ontario Building Code.

Where a shipping container is used for the purpose of human habitation, the following provisions shall apply:

- a) A shipping container shall be permitted where residential uses are permitted;
- b) A shipping container is subject to the same requirements and limitations as permanent buildings;
- c) A shipping container shall comply with the Ontario Building Code.

4.53 ADDITIONAL RESIDENTIAL UNITS (ARU)

Additional residential units may be permitted in association with a single detached dwelling, semi-detached dwelling and rowhouse dwellings, as well as permitted accessory structures, in accordance with the regulations specified by the Zone category in which the additional residential unit is permitted, and shall be subject to the following regulations:

- i. shall be built in accordance with all relevant regulations within both the Ontario Building Code and Ontario Fire Code;
- ii. shall be connected to private or municipal sanitary sewer and municipal water service;
- iii. shall provide parking, subject to Section 4.28;
